The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the school can keep an accurate record of the number of incidents involving students, educators, staff, and visitors; determine where there is a pattern of crime with regards to a particular location, method, or assailant; and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crime statistics for MJ Barber & Beauty Academy.

### **Emergency Response and Evacuation Procedures**

MJ Barber & Beauty Academy has established procedures to immediately notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on campus. These procedures provide for rapid notice to local law enforcement and administration to evaluate and confirm an emergency or dangerous situation if determined to be required. The school will, without delay, and taking into account the safety of the community, determine the content of emergency/dangerous situation notifications and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a complainant or to contain, respond to, or otherwise mitigate the emergency.

MJ Barber & Beauty Academy will attempt to contact students and staff that are not present on campus to inform them of any threat to their health and safety. The school will attempt to notify students and staff by telephone, by email, and a recorded message on the schools' phone system. These methods will also be used to notify the students and staff of closures due to inclement weather.

Fire alarm systems are present and active in the facility. In the event of an emergency and/or fire alarm, occupants must evacuate from the building. It is helpful to have reviewed and practiced the building evacuation procedures prior to an evacuation. As a general guideline, stop working as soon as it is safe to do so and gather personal belongings. Use the nearest door with an EXIT sign to leave the building. Proceed to your designated assembly area, report for a roll call and stay in the area until you receive direction from emergency personnel or authorized staff member.

Titles of personnel responsible for carrying out the procedures described above are: Director, Administrator, and/or Instructor. The school is responsible for testing the emergency response and evacuation procedure at least once a year. Documentation for each test shall include a description of the exercise, the date, the time, and whether the test was announced or unannounced.
